on the JVM after Java,
with a market share of roughly **18%**

Multiplatform

Kotlin Multiplatform, which is currently in Beta, is already trusted in production by many of the world's leading companies, including Philips, Netflix, Leroy Merlin, and VMware

Some numbers

32

of the top 100 universities
in the THE Rankings 2023
are teaching Kotlin

570K

Active developers
use Kotlin
every month

1M

GitHub repositories
currently use Kotlin
as a primary language

About  Kotlin Foundation

▶ The Kotlin Foundation is a non-profit company whose mission is to promote and advance the Kotlin ecosystem by:

1

Providing financial support
to open-source projects
and education initiatives

2

Controlling incompatible
changes to the language

3

Preserving
Kotlin trademarks

JETBRAINS

Google

To fulfill our mission, we need more members to support us financially and by contributing new ideas

Why join?

You'll have the opportunity to directly influence the Kotlin ecosystem:

1

You'll help to sustain the Kotlin ecosystem by providing financial support and guidance to the maintainers of open-source projects

2

You'll contribute to the board, committees, and workgroups, making decisions on funding distribution and the Foundation's overall strategy

You'll create a brand connection between Kotlin and your company:

1

You can use the Kotlin Foundation logo and indicate that you are part of the Kotlin Foundation

2

Your logo can appear on the kotlinfoundation.org website, as well as in a specific section of the kotlinlang.org website

which gets **500K** unique page views weekly
